

OVARIAN STIMULATION & POOR RESPONDERS

| Friday, 31 January 2020 | | |
|--|--|--|
| 0800-0830 | Registration | |
| 0830-0845 | Opening Remarks | Atsushi Tanaka (Japan), 8th Masterclass Chairperson |
| Preparation for FSH Stimulation | | |
| 0845-0915 | Biomarkers and Prediction of Ovarian Response | Scott M Nelson (United Kingdom) |
| 0915-0945 | Optimising Endocrine Status Prior to ART | Clare Boothroyd (Australia) |
| 0945-1015 | The Evidence for Use of FSH in IVF - Comprehensive Review | Christos Venetis (Australia) |
| 1015-1030 | Discussion and Q&A | |
| 1030-1045 | Morning Coffee-Break | |
| Dealing with Over Response | | |
| 1045-1115 | Prevention of OHSS | Clare Boothroyd (Australia) |
| 1115-1145 | Midcycle letrozole administration suppresses the estradiol overflow from the multifollicles in hyper-responsive ovaries and prevents the onset of OHSS in ART COS | Sumihide Okamoto (Japan) |
| 1145-1215 | Homemade Ovarian Stimulation Depending on Ovarian Reserve | Masahide Shiotani (Japan) |
| 1215-1230 | Discussion and Q&A | |
| 1230-1345 | Sponsored Luncheon by Mochida Pharmaceuticals Co.: Molecular Mechanisms and New Therapeutic Targets in Endometriosis | Speaker: Hisashi Narahara (Japan) Chair: Yutaka Osuga (Japan) |
| Protection of fertility | | |
| 1345-1415 | Managing Endometriosis to Reduce the Risk of Poor Ovarian Response | Yutaka Osuga (Japan) |
| 1415-1445 | Ovarian Stimulation for Fertility Preservation in Women with Cancer | Yodo Sugishita (Japan) |
| 1445-1515 | Infertility Treatment for Late Reproductive Aged Women with Ovarian or Uterine Tumor | Keiji Kuroda (Japan) |
| 1515-1530 | Discussion and Q&A | |
| 1530-1545 | Afternoon Coffee-Break | |
| Handling of Poor Ovarian Response | | |
| 1545-1615 | How Poseidon Helps Manage Poor Ovarian Response? | Scott M Nelson (United Kingdom) |
| 1615-1700 | Drug Free In-vitro Activation for Diminished Ovarian Reserve in State of the Art in 2020 of In Vitro Activation | Kazuhiro Kawamura (Japan) |
| 1700-1730 | Squeeze the Ovary - Managing Stimulation in Poor Ovarian Response - An Overview | Budi Wiweko (Indonesia) |
| 1730-1745 | Discussion and Q&A | |
| 1830-2000 | Welcome Dinner | |

OVARIAN STIMULATION & POOR RESPONDERS

Saturday, 1 February 2020

| Stimulation with Poor Ovarian Response (POR) | | |
|--|--|--|
| 0830-0850 | Evidence for Natural Cycle Stimulation in POR | Makio Shozu (Japan) |
| 0850-0910 | Evidence for Use of Growth Hormone in POR | Tzeng Chii-Ruey (Taiwan) |
| 0910-0930 | Evidence for Use of Androgens in POR | Clare Boothroyd (Australia) |
| 0930-0950 | Evidence for Use of Melatonin, Coenzyme Q and Other Agents in POR | Christos Venetis (Australia) |
| 0950-1005 | Discussion and Q&A | |
| 1005-1020 | Morning Coffee-Break | |
| Novel treatments for Poor Ovarian Response (POR) | | |
| 1020-1040 | Taiwanese Experience of Mitochondrial Research in POR | Tzeng Chii-Ruey (Taiwan) |
| 1040-1100 | Japanese Experience of Cytoplasmic Donation in POR | Atsushi Tanaka (Japan) |
| 1120-1140 | Duo Stimulation and Double OPU in the Same Cycles | Koji Nakagawa (Japan) |
| 1140-1210 | Mild Stimulation with Clomiphene, Aromatase Inhibitor or Natural Cycle | Keiichi Kato (Japan) |
| 1210-1225 | Discussion and Q&A | |
| 1225-1345 | Sponsored Luncheon by Ferring Pharmaceuticals Debate: Minimal Stimulation VS. Controlled Ovarian Stimulation (COS) | Minimal: Keiichi Kato (Japan), Makio Shozu (Japan) COS: Atsushi Tanaka (Japan), Masahide Shiotani (Japan) Moderator: Clare Boothroyd (Australia) |
| 1345-1415 | Overview, Poor Responder and POI | Bunpei Ishizuka (Japan) |
| 1415-1445 | Basic Research, In-Vitro Oogenesis from Pluripotent Stem Cells | Katsuhiko Hayashi (Japan) |
| 1445-1515 | Oocyte Donation and its Alternatives | Wang Huai-Ling (Taiwan) |
| 1515-1530 | Discussion and Q&A | |
| 1530-1545 | Afternoon Coffee-Break | |
| 1545-1615 | Individualised Management for POR | Scott M Nelson (United Kingdom) |
| 1615-1700 | Case Discussions | Budi Wiweko (Indonesia), Clare Boothroyd (Australia), Scott M Nelson (United Kingdom), Keiichi Kato (Japan), Keiji Kuroda (Japan), Masahide Shiotani (Japan) |
| 1700-1715 | Closing Remarks | Atsushi Tanaka (Japan) |
